## Table of Contents

Market Summary .....	1
Regional Outlook.....	3
Amplifier Products .....	7
Applications.....	14
Methodology.....	19
Sources .....	20

## Figures

Figure 1: Worldwide Amplifier Market Forecast 1999-2005 (Millions of Dollars).....	2
Figure 2: Worldwide Amplifier Market Forecast by Region 1999-2005 (Millions of Dollars).....	3
Figure 3: 2000 Amplifier Billings by Region Percentage of Total.....	4
Figure 4: 2005 Estimated Amplifier Billings by Region Percentage of Total.....	5
Figure 5: Normalized Regional Growth – Worldwide Amplifier Market .....	6
Figure 6: Worldwide High Speed Amplifier Forecast 1999-2005 (Millions of Dollars).....	8
Figure 7: Worldwide Precision Amplifier Forecast 1999-2005 (Millions of Dollars).....	9
Figure 8: Worldwide Low Power Amplifier Forecast 1999-2005 (Millions of Dollars).....	10
Figure 9: Worldwide Low Voltage Amplifier Forecast 1999-2005 (Millions of Dollars).....	11
Figure 10: Worldwide Standard Amplifier Forecast 1999-2005 (Millions of Dollars).....	12
Figure 12: Normalized Growth Estimate for the Amplifier Market by Product.....	13
Figure 13: 2000 Amplifier Market Share by Product Percentage of Total.....	14
Figure 14: 2000 Amplifier Consumption by Market Segment Percentage of Total.....	15

## Tables

Table 1: Worldwide Amplifier Market by Region 1999-2005 (Millions of Dollars).....	6
Table 2: Worldwide Amplifier Market by Product 1999-2005 (Millions of Dollars).....	14
Table 3: Worldwide Amplifier Market by Market Segment 2000-2002 (Millions of Dollars).....	17
Table 4: Application Market Model – Estimated Consumption of Amplifiers in 2000 .....	18
